GenAI Leap of faith from PoC to Production

by Alyona (Una) Galyeva

Agenda

1. Terminology
2. Traditional software development path to production
3. AI path to production
4. GenAI path to production
5. Common challenges in getting GenAI to production
6. FAQ

Terminology

PoV

PoC

MVP

Production

Traditional software development path to production

PoC -> MVP -> Production

DevOps

AI path to production

PoV/PoC -> MVP -> Production

MLOps

GenAI path to production

PoV/PoC -> MVP -> Production

FMOps / LLMOPs

Common challenges in getting GenAI to production

- Fast pace of change

- Model-as-a-service vs build your own

- Probabilistic nature of GenAI

- AI engineering capabilities

- GenAI evaluation

FAQ
